Old Business

Policy Approvals

- JG-R - Student Discipline - The language regarding being disciplined for recording was removed from this policy as it is covered in policy KKB (audio and visual recordings).
- EBBC - Lactation Support - The district will now have dedicated space that will be used exclusively for lactation. This will put the district in compliance with a new state law.

22-23 Teacher Salary Schedule

There is no change to the previously approved teacher salary schedule. This salary schedule clearly identifies which steps will receive a combination of district funds and state grant money so the district can reach the minimum teacher salary of \$38,000. The grant money is pending the governor's signature.

New Business

- TS Banze was awarded the snow removal contract.
- The food service facility drawings were approved.

- The updated curriculum was approved.
- Patron Agenda Items
 - Carolyn Spraggs requested policy JFGA (Interviews with or Removal of Students) be on the agenda. Mrs. Spraggs also requested School Protection Officers be on the agenda as well. The school board discussed both topics.

All new business documents can be found in BoardDocs. [Here is a link](#)

You can view the board meeting in its entirety on the district Facebook page. The next school board meeting is on June 23rd at 5:00 pm.

Sincerely,

Gregg Klinginsmith
