## New Business

### Holy Rosary Cooperative Agreement

The district approved a cooperative agreement to participate with Holy Rosary for all middle school athletics for the 23-24 school year. If Holy Rosary is able to field a team in any sport, the district will cancel the cooperative agreement prior to the season for that sport and grade level.

*Voluntary Benefits Provider*

The district approved US Enrollment Services as our provider of voluntary benefits for staff. These voluntary benefits are paid completely by the individual staff member. The district shops providers to try and find the best pricing and best services for our staff. More information will be sent directly to staff members about this change.

*Parents as Teachers Partnership with Wentzville School District*

The district approved partnering with the Wentzville School District to help provide parents as teachers services to our community. The district has had staffing issues this year and has been unable to provide parents as teachers services. The Wentzville School District has agreed to help the district to provide these services. We are grateful to the Wentzville School District to help support our community in this manner.
