There are no finals at the Washington competition, so once we have performed we will be finished for the day. We will stay for awards and I would encourage each of you to do your best to stay with us, watch the division following ours and sit together as a band for the awards ceremony.

The Washington Band Boosters will have concessions on site. Please bring money for supper, or pack your own, as we will not be stopping anywhere on our way home.

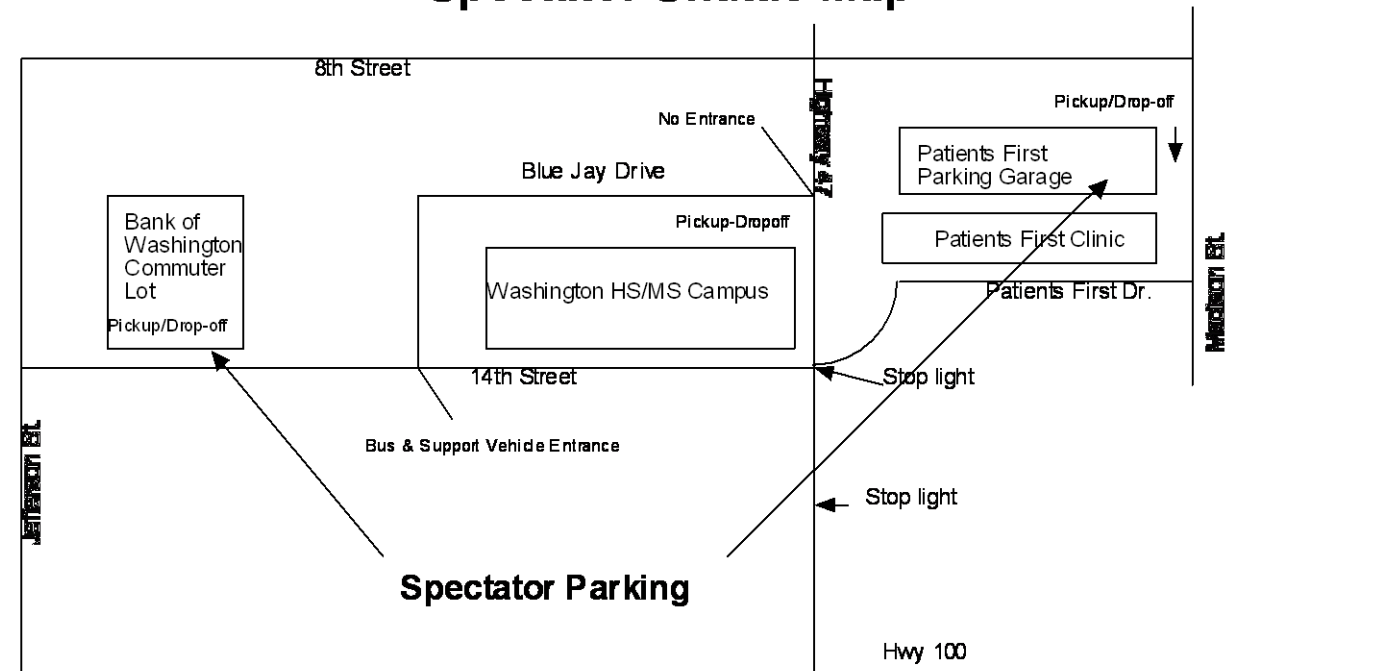

Please eat lunch before you arrive at the school in the morning.

**\*\*DON'T FORGET YOUR BLACK SOCKS\*\*** The Band Boosters purchased many pairs of socks at the beginning of the year as back up for when we forget, and after only 4 performances they are GONE. If you are one of those who borrowed the boosters black socks, please wash and return them!

# Washington Marching Band Festival Spectator Shuttle Map

The spectator shuttle will run every 15 minutes to and from the Bank of Washington Commuter Lot, Patients First Clinic and the High School. The Shuttle hours are 10:00 am until 9:00 pm. The shuttle does not go to the Parade Route. Spectators for the Parade will find parking downtown and walk to the parade route.

***43<sup>rd</sup> Annual Washington Marching Band Festival***

*Alive Video* will record all of the bands in the field competition on Saturday.

You can purchase a copy of the Marching Warriors' performance and take home the DVD for \$10. This price is good only on Saturday, October 1st at the Washington Marching Band Festival. The sales table will be located behind the pressbox.
