Summer Quest Enrichment Classes

Students attending Warrior Ridge Elementary for the Warren County R-3 Summer School Program will attend exploratory classes in the afternoon. The 2nd - 5th grade students will rotate through these enrichment classes in the afternoon following their lunch break.

Cups, Cups, Cups! - Cup stacking fun!

Art Exploration - Painting, drawing, making puppets, and more hands on creativity!

Games - Cooperative games, fitness and fun!

Amazing Animals - Learn about animal habitats through science activities!

Game Land - Cooperative projects and fun with classic games and activities!

Construction Zone - Build structures using manipulatives and blocks!

Warren County R-III School District
MEDICATION POLICY

Prescription medication will be given by school personnel. Medication must have a pharmaceutical label stating (1) child's name, (2) name of medication and instruction as to dosage, time, etc. (3) name of doctor prescribing medication and, (4) a current date. Medications will only be administered as stated on the prescription label.

Parents may not send medicine with their child to school. It is the responsibility of the parent or legal guardian to bring the medicine to school.

It should not be necessary to give more than one dose of medication per day during a six-hour school day. Most medication schedules can be arranged so that all doses of medication are taken at home. Exceptions can be arranged with the school nurse.

Students who require emergency medication should have their medication properly labeled as described above. Specific written instruction needs to be provided as to when and under what circumstances medication is to be given. This information will be provided and signed by the student's physician annually.

The district may administer over-the-counter medication to a student upon receipt of a written request and permission to do so by a parent/guardian. The district will provide Advil or generic substitute, Tylenol or generic substitute, upon written permission from parent/guardian up to two (2) doses per semester. Further dosage will only occur with written doctor's permission. All over-the-counter medications must be delivered to the school principal or designee in the manufacturer's original packaging and will only be administered in accordance with the manufacturer's label.

Please check the following over-the-counter medication(s) the district is authorized to distribute to your student:

Acetaminophen (generic Tylenol—provided by district) (Dosage by weight)
Ibuprofen (generic Advil—provided by district) (Dosage by weight)
DO NOT GIVE
