Early Dismissal Procedures

There are times throughout the school year when it becomes necessary to dismiss school earlier than the normal dismissal time. This may be for inclement weather or heat problems. Radio stations KWRE (730 AM) and KFAV (99.9 FM) in Warrenton, are notified on school dismissals. These stations will broadcast school closings and the dismissal time. PLEASE LISTEN FOR THESE BROADCASTS DURING INCLEMENT WEATHER.

Thank you for helping in minimizing the difficulties encountered during these unplanned events.

IF SCHOOL DISMISSES EARLY _____ SHOULD:

Check one:

- Follow normal routine
- Specific instructions (DO NOT specify "use School phone")

MEDICATION POLICY**

Prescription medication will be given by school personnel. Medication must have a pharmaceutical label stating (1) child's name, (2) name of medication and instruction as to dosage, time, etc. (3) name of doctor prescribing medication and, (4) a current date. Medications will only be administered as stated on the prescription label.

Parents may not send medicine with their child to school. It is the responsibility of the parent or legal guardian to bring the medicine to school.

It should not be necessary to give more than one dose of medication per day during a six-hour school day. Most medication schedules can be arranged so that all doses of medication are taken at home. Exceptions can be arranged with the school nurse.

Students who require emergency medication should have their medication properly labeled as described above. Specific written instruction needs to be provided as to when and under what circumstances medication is to be given. This information will be provided and signed by the student's physician annually.

The district may administer over-the-counter medication to a student upon receipt of a written request and permission to do so by a parent/guardian. The district will provide Advil or generic substitute, Tylenol or generic substitute, upon written permission from parent/guardian up to six (6) doses per semester for students in Kindergarten through 5th grade and up to twelve (12) doses per semester for students in 6th through 12th grades. Further dosage will only occur with written doctor's permission. Please note that the summer school dosage is only up to four (4) doses during the complete summer school period for all students.

Please check the following over-the-counter medication(s) the district is authorized to distribute to your student:

- Acetaminophen (generic Tylenol—provided by district) (Dosage by weight)
- Ibuprofen (generic Advil—provided by district) (Dosage by weight)
- Antacid (generic Tums —provided by district) (Dosage by weight)
- Cough Drops (generic—provided by district) (Dosage by weight)
- DO NOT GIVE
