Believing in Better at Daniel Boone!

November NEWS
Volume 2, Issue 3

Thank you to all the parents who came to meet with teachers for Parent Teacher Conferences! This meeting is such an important time as we complete first quarter, for parents to talk face to face with the teacher, visit the classroom, and learn all about the expectations for the rest of the year and find out about your child's progress in school. Each and every child at Daniel Boone is so full of potential, but it is our job to work together as parents and as educators to make sure that happens! Here are some ways you can help

at home:

- The American Sleep Foundation recommends a **minimum** of 10 hours of sleep for children 5-7yrs old. Our students will be happier, healthier, and more ready to learn- with enough sleep!
- Please work on sight words with your child. Have them say the word, find the word and begin to make a sentence with the words.
- Have your child work with money. Practice counting money and recognizing coins and their value.

Thank you for all that you do! Working together, we believe in better!

Dr. Schwierjohn

“Believing in Better!”

Mission Statement

Daniel Boone Elementary School shall provide a safe child-centered environment, involving school, home, and community, which shall help each child achieve his or her full potential.

Spaghetti Dinner

The PTO is hosting a spaghetti dinner on Friday, November 4th at Daniel Boone Elementary in the cafeteria from 4:30-7:30pm. There will be a silent auction and door prizes. Everyone is welcome! The cost is \$6.00 for adults and \$3.00 per child 3 and over. The PTO will be serving spaghetti, salad, bread, dessert and beverages. There will also be a \$1.00 book sale table! All the money raised on this fun night will go towards our new playground! Please come and have a great dinner, great fellowship, and help a great cause!

Many Thanks!

Thank you to the Grooms family (kindergartener, Briana Grooms) for the hundreds of library books that were donated to our school library! Also a big thank you to the Faerber family (first grader, Cameron Faerber) for the donation of stop signs to update our halls and help with our hallway routines! Lastly, thank you to our PTO parents who have worked so hard this past month with selling t-shirts, organizing and getting donations for the spaghetti dinner, organizing the fundraiser pick-up, and with the entertainment books. They have been working so hard to raise money for our new playground, and we so appreciate all that they do!!

Super Sight Word Kids!

The following students know ALL the sight words on their grade level list and are recognized with a star on a bulletin board outside the office in the front lobby:

Hannah Peth	Shelby Sommer	Kaden Moore	Logan Starks
