

Warrenton High School Project Graduation 2010

Dear Family and Friends:

I have just started my senior year at Warrenton High School and will graduate in the spring of 2010. All of my senior friends and I are very excited about this special year. We are all eager to work hard toward graduation and prove this is the best year of our school days.

Each of us seniors is given the opportunity to attend Project Graduation on the night we graduate. The event is a lock-in at our high school to help protect each of us and allow one last opportunity to be together as a senior class. The committee has many great plans for our Project Graduation to include food, games, prizes and cash give-away.

All of the seniors have been asked to assist in the efforts of recommendations and planning for our exciting night. We are all hoping that Project Graduation 2010 will be the best ever. For this to happen, we must have many sponsors of the event; as it is solely paid for through donations.

We have been given the challenge of finding sponsors to assist in making our special night come to fruition. With this letter; I ask if you would be kind enough to sponsor our event through a donation; regardless of the dollar amount. Your sponsorship of the event is sincerely appreciated and the amount donated is tax deductible. Once your donation is received, a letter will be mailed back to you for tax purposes and it will reflect the amount of your donation.

I want to thank you in advance for supporting me and the 2010 graduating class of Warrenton High School.

Sincerely,

**Warrenton High School
