

**REBECCA BOONE ELEMENTARY**  
**Parent Link Web Access Form**

In an effort to provide continuing communication between school and parents, the Warren County RIII School District is pleased to offer an Internet-ready program that will allow parents to access timely information about their child's progress in school via their web browser. Through an assigned user ID and password, the Parent Link Access program will provide a secure connection to grades, attendance, assignments, lunch and discipline information in an easy-to-use format.

To take advantage of this program, please complete this form and return it to your child's school. If you have children in more than one school in the district, you will need to complete a separate form for each school. Once the parent forms are returned and processed, you will receive a letter via email with instructions on how to access and view your child's information.

-----

**Please complete and return to school. Forms must be signed and dated.**
