12/7/09

Dear Parents and Guardians:

The safety and well being of our students and staff is a top priority at BHMS. As a result, the middle school has already and will continue to periodically conduct safety drills and inspections. These may include random searches that involve the cooperation of law enforcement and canine units.

In these situations, the students are safely separated from the canine units by placing the school on lockdown. Anytime the school is on lockdown, it would result in the building being closed to any outside persons. If you approach the building and find that we are in a lockdown situation, please report to Central Office and wait for the lockdown to conclude.

We appreciate your patience in these situations, and would like to thank you in advance for helping us to make school safety a top priority.

Sincerely,

A handwritten signature in black ink that reads 'Shawn B. Kelsch'.

Shawn B. Kelsch
