2020-2021 REOPENING PLAN UPDATE:

An update was made to the reopening plan after the Governor announced that students do not have to quarantine if both the positive case and the close contact are wearing a mask. Going forward, all students will need to wear a mask, including Pre- K-2nd Grade. If both the positive case and the close contact are wearing a mask properly (over the nose), then only the positive case is required to stay home.

- Dr. Klinginsmith also presented the Financial Report to the board, which is available for viewing on **Board Docs**.
