## New Business

The Warren County School District has been awarded a grant that will cover the cost of the Monday Care Day Program for the remainder of the 2020-21 through the end of the 22-23 school year. The Warren County R-III Board of Education approved the implementation of this grant. This now allows Monday Care Days to be free to all students through the end of the 22-23 school year.

Warren County has distributed \$209,237 in CARES Act funding to the school district. The school district has spent approximately \$177,000 in COVID related expenses in the technology and custodial/maintenance department so far for this year. The Warren County R-III School Board approved allocating half of the funds to the custodial/maintenance budget and the other half to the the technology budget.

The federal stimulus package that was approved in December of 2020 allocates \$2,164,471 to the Warren County R-III School District. The Warren County R-III School Board has approved allocating \$1,320,000 toward heating, ventilation, and air conditioning for Daniel Boone Elementary and Warrenton High School. Allocations for the remaining funds we will be determined at a later date.

Due to budget cuts, our director of communication is no longer with the district. We appreciate Mr. Stahlhut's service to the Warren County R-III School District and wish him well on his new adventure. Mr. Stahlhut would normally send you the board notes after each meeting. I will now be sending these out to you after each regular meeting.
