The next school board meeting is on September 22th at 5:00 pm at the Warren County R-III Central Office. The board of education is asking for community input on a potential no tax increase bond issue for April 2024. Your feedback will help guide the district on what facility needs are needed most. This will be an opportunity for the community and the school board to have an open discussion on how to prepare for growth and address future facility needs. No decisions will be made regarding the potential bond issue at this meeting. You are not required to sign up to attend the meeting, but to help us determine if Central Office will be a big enough space to hold the meeting please register using this link. Sincerely,
